HOW DOES YOUR CASH STACK UP?

Do you know if your bank is offering competitive interest rates? If not, you might want to ask and find out how their rates compare.

Sendero has access to several competitive cash management options with yields ranging from .86%* to 2.20%* available for clients with balances over \$500,000** in cash. These options offer varying liquidity schedules and together, we can develop a plan that meets your specific needs.

If you would like to discuss additional cash options, please don't hesitate to contact Sendero.

We look forward to discussing ways we can assist you or your clients.

Sincerely,
